With the country's biggest ever sporting event just around the corner we thought we'd kick off a little early - and raise funds for a truly GREAT CAUSE!

The Mad Butcher Suburban Newspapers Community Trust proudly presents a gala occasion to raise funds for the Prime Minister's Christchurch Earthquake Appeal and Kidney Kids at SkyCity on Thursday 30 June with special guest speaker Graham Henry.

The All Blacks coach will be interviewed on stage by broadcaster Tony Veitch in what promises to be an enthralling behind the scenes insight into his thinking before the tournament. Master of ceremonies will be John Hawkesby with comedian Ewen Gilmour and great music from the band Black Salt to keep you on the dance floor well into the early hours!

This Ultimate Midwinter Christmas Celebration includes VnC cocktails on arrival and a superb three course meal with complimentary drinks from Lion Breweries and fine wine from Glengarry.

There will also be a Charity Auction and Silent Auction with some fabulous items on offer. It's an excellent occasion to entertain your clients and friends at a truly memorable event for a great cause.

Since it's formation in 1998 the Trust has given away almost \$2 million to charity and community projects and as you know every cent we raise goes directly to charity. There are no administration fees or hidden costs.

I've enclosed a brochure outlining the event with full booking details as well as a special message from the Prime Minister.

Looking forward to seeing you all!

Kind Regards

Sir Peter Charles Leitch KNZM, QSM
Chairman
